

### **Privacy Notice**

Thanks for registering your interest. NAB Limited based in Australia, NatWest Group in the UK, Itaú Unibanco in Brazil and CIBC in Canada, (together “we” or the “Alliance Partners”) are developing a pilot carbon credit trading platform using blockchain technology (“Project Carbon”). We’re collecting the personal information you provide in this form so that we can reach out to you regarding Project Carbon. If you do not provide your information, we may not be able to get in touch with you. Generally, your country of residence will determine which of the Alliance Partners reaches out to you. We may also share your information amongst the Alliance Partners and our service providers in relation to the operation and administration of Project Carbon. Your personal information will otherwise be handled in accordance with our Privacy Policies which you can access through the following links;
